
Title: Hall of the World

Author:

The world is at your
fingertips, young
ones.. ye but need to
reach out and grasp it,
then clutch it to ye
for the prize that it
is.

Here, young ones, we
shall show ye the lore
of the realms and as
the age old and quite
true saying goes..
"knowledge is power"
and the more ye learn
here the more ye shall
be able to make your
mark on this world.

Evil luck to ye.
